

Directory of Fashion and Textile Sustainability Professionals in Central Ohio

In October 2023, dozens of sustainability practitioners in central Ohio's fashion and textiles industries participated in a professional development and community building workshop hosted by Ohio State's Environmental Professionals Network. A set of resource outputs were produced based upon a data gathering worksheet and report back session implemented during the workshop.

The resources included in this document include:

Page

Directory of industry-based sustainability leaders

2

Influential in innovation and communication

3

Influential in regulations and tax incentives

4

Relationship map between leaders and participants

5

This worksheet was developed by:

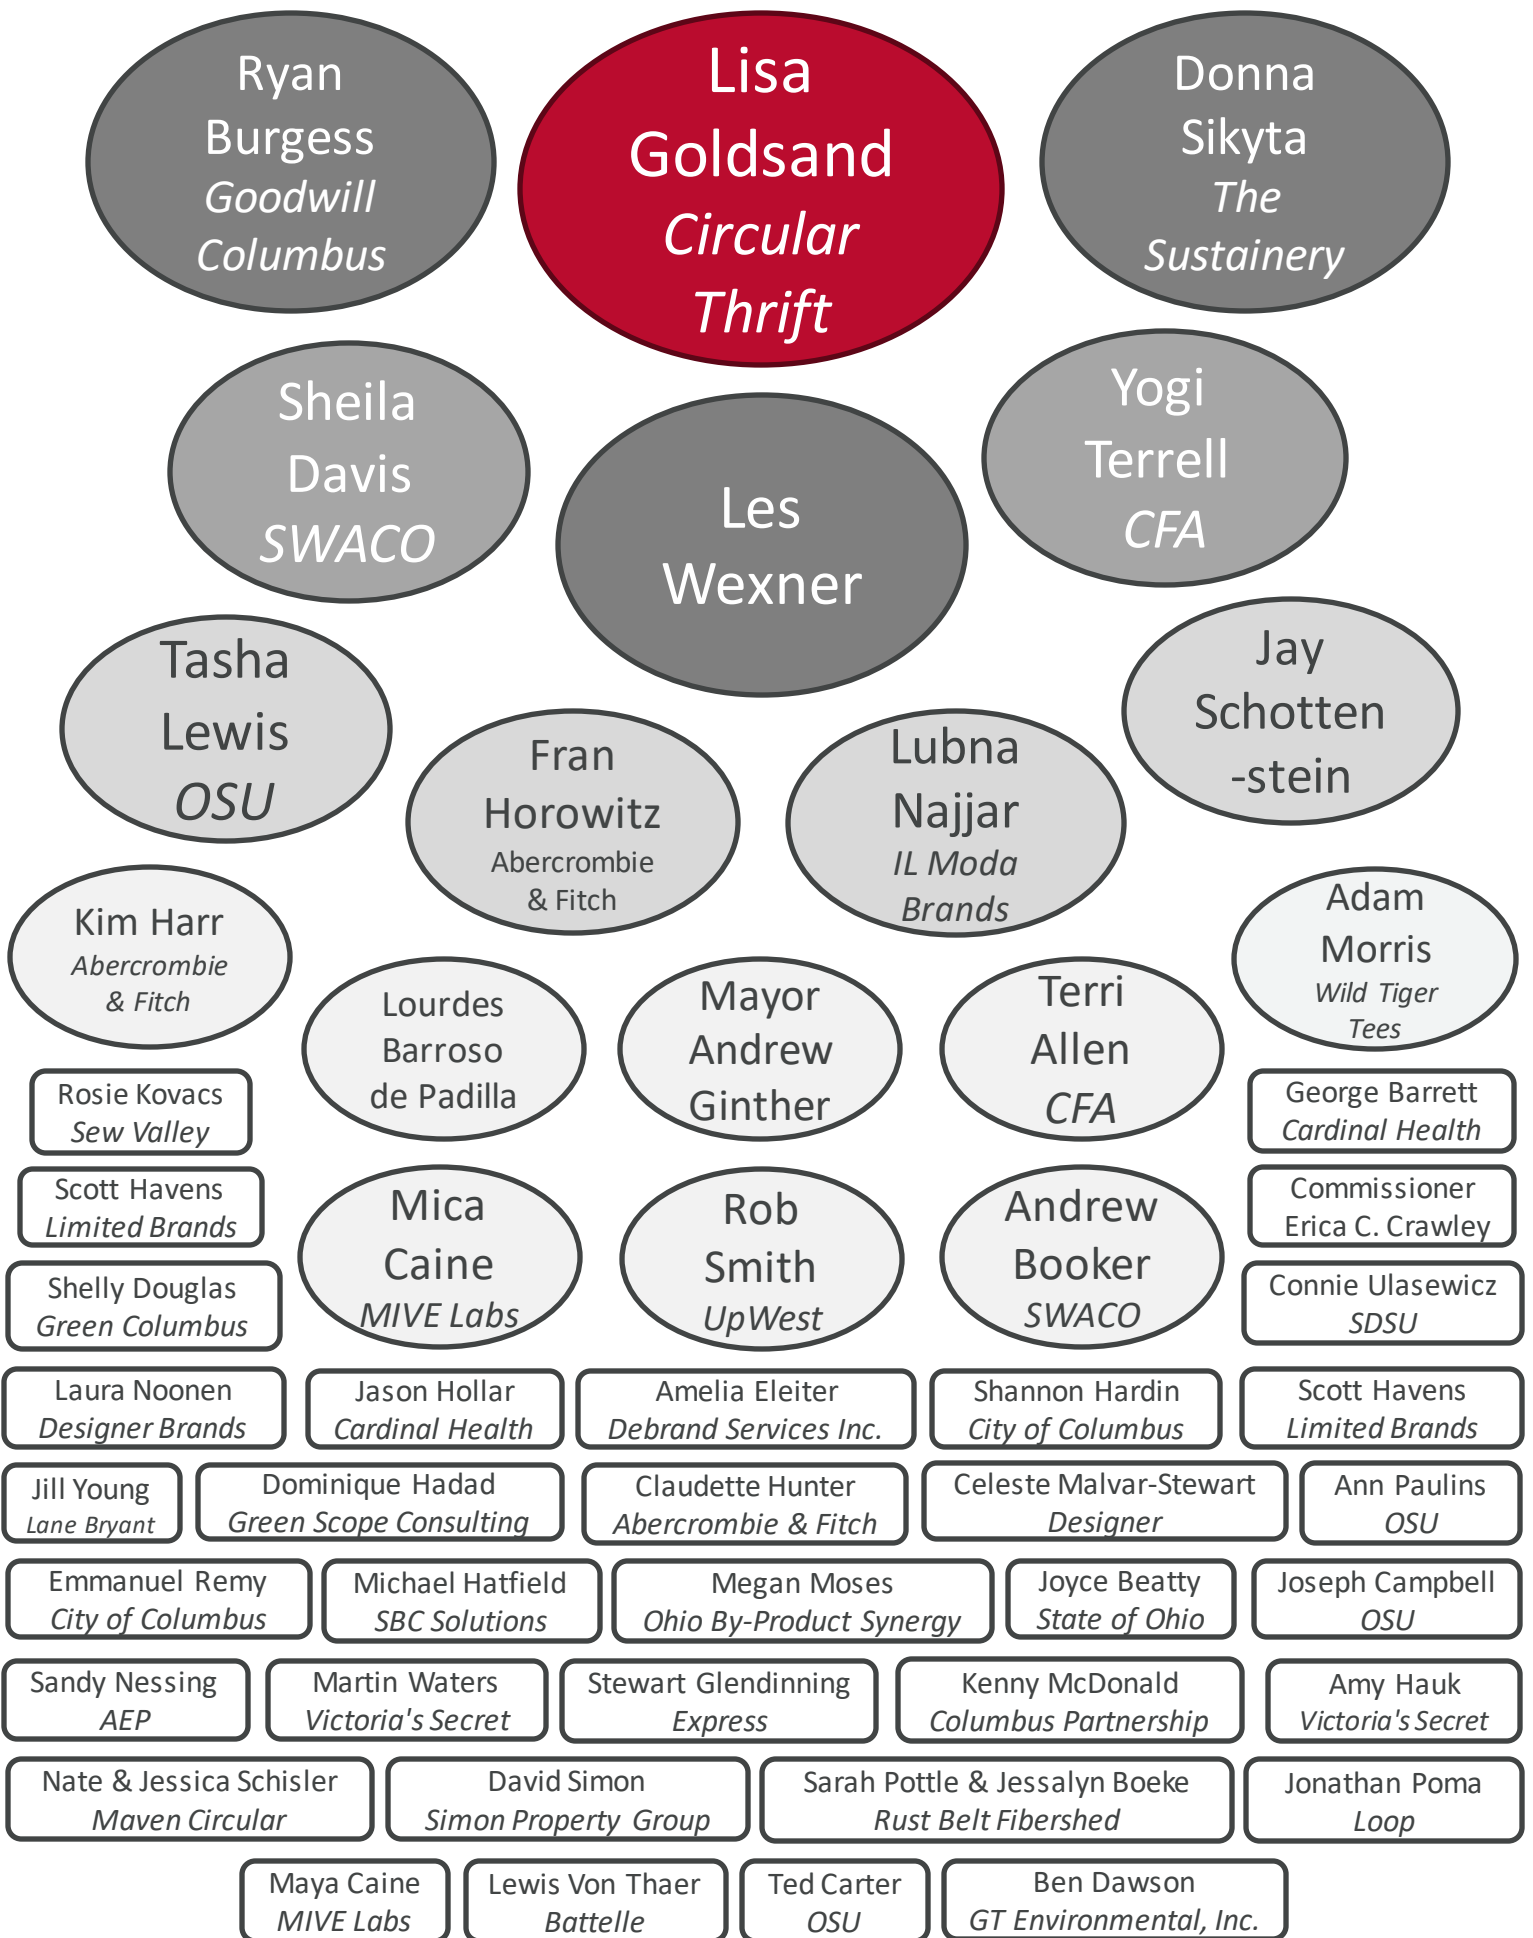

Joe Campbell, PhD
Senior Lecturer

The number in parenthesis (1) indicates the number of times the individual was listed as "influential" for the designated issue area.

Relationship Map Between Fashion and Textile Sustainability Leaders and Participants in Central Ohio.

The gray circles indicate individual leaders. Each individual has their respective organizational affiliation (as of October 2023) featured with their name on page 1 of this document in addition to Sarah Gabel {Designer Brands}, Sarah Moore {Victoria's Secret}, Connie De Jong {World Peaces}, Ragul Senthil {Artisen Textiles}, and Elizabeth Ellman {City of Bexley}.

The scarlet arrows indicate an existing relationship between two individuals (i.e., they know each other directly).
