

Thank you, members of the Class of 2020, for your participation in Ohio State's Environmental Professionals Network and with the broader community of natural resource stewardship and conservation practice in Ohio. Please stay in touch!

Visit [epn.osu.edu](http://epn.osu.edu) to sign-up as an EPN participant. Participants have free access to many online networking capabilities, such as marketing, querying, information sharing, and more.

Monthly co-sponsored events feature partnerships with national, regional, and local organizations, as well as the leading Ohio agencies for environment and natural resource management.

EPN participants are encouraged to create and share content such as job postings, reports and event announcements.

## Student Staff

A special thank you to Itzel Alvarez-Garcia (left) for her hard work and dedication to making our events successful each month.
